# ELAR RETEST AS OF OCTOBER 5, 2023

First administration must be complete ELAR battery (CCR, Diagnostic (if applicable), and Essay if applicable).

**Texas Success Initiative Assessment, 2.0 (TSIA2)**  
Standalone Retest Options for ELAR Tests (CRC and Essay)

**Texas Higher  
Education**  
COORDINATING BOARD

## **ELAR Standalone Retest Policy (Effective October 5, 2023)**

TSI assessment test administrators must administer the complete ELAR test (CRC and diagnostic test (as applicable), and Essay) for **initial** ELAR test administrations. Subsequent ELAR test administrations may be administered as standalone tests (CRC Only and diagnostic test (as applicable) or Essay Only) without consideration to scores earned on the initial ELAR test.

If only one component (e.g., CRC or diagnostic test, Essay) is passed on the initial ELAR test administration, a retest is only required for the component that was not passed.

Institutions may accept ELAR standalone test (CRC Only and diagnostic test (as applicable) or Essay Only) scores from test administrations prior to October 5, 2023, provided they meet the requirements of the revised ELAR Standalone Retest Policy.

St. Philip's College and the other Alamo Colleges can now upload high school TSI scores into the Banner system using csv files that are produced by the high school or ISD's ACCUPLACER Institution Administrator (IA). The report will be run after the school tests any group of students. The report will include the following information in this order:

1. Site ID #	11. AHI Mathematics Diagnostics
2. Last Name	12. AHI Reading Diagnostics
3. First Name	13. AHI Writing Diagnostics
4. Student ID (must be Banner)	14. TSSA2 Write/Placer
5. Birthdate	15. TSSA2 Mathematics CR
6. Test Start	16. TSSA2 ELAR CR
7. TSI Write/Placer 2017	17. TSSA2 Mathematics Diagnostic
8. TSI Mathematics Placement	18. TSSA2 ELAR Diagnostic
9. TSI Reading Placement	19. Supplemental Student ID
10. TSI Writing Placement	

Scores without Banner ID numbers will be rejected. Please note schools that do not use Banner ID numbers to test may run the csv report and include the Supplemental Student ID block prior to emailing the roster to St. Philip's College.

The roster should be emailed to your St. Philip's College point of contact (i.e. DC liaison, etc.) and the St. Philip's College Testing Center which will submit the roster to the Alamo Colleges District IT department. The data is uploaded daily at midnight. The Testing Center's email address is [apostolotestcenter@alamo.edu](mailto:apostolotestcenter@alamo.edu).
